Ref. No. 1003.0019

**REQUEST FOR REMAND**

Pursuant to TBMP Rule 1209.04, Applicant requests that the Board suspend the instant appeal and remand the application back to the Examining Attorney.

On July 11, 2012, Applicant filed a Request for Reconsideration. The Request for Reconsideration was initially denied in an action dated July 26, 2012. The application was then returned to the Board. However, on August 13, 2012, a non-final Office Action was issued addressing a new issue raised in the July 11, 2012 Request for Reconsideration. The Office Action includes the standard 6 month response period.

Applicant respectfully requests that the instant appeal be **SUSPENDED** pending the further prosecution of the instant application.

Applicant notes that the instant appeal was instituted on July 12, 2012, that no briefs have yet been filed and that the application has not been pending for an inordinate amount of time.

Respectfully submitted,
